## INTRODUCING CARITAS360

BY USCB AMERICA

Caritas360 is a user-friendly, web-based system for Medical Financial Assistance and Charity Care. Filling the gap in medical billing software, our "one platform, many benefits" approach optimizes healthcare revenue cycle management for tax-exempt hospitals.

## ELEVATE YOUR CHARITY CARE IN 2020

[SCHEDULE A DEMO NOW](#)

### POWERFUL FEATURES

## GET PATIENT FOCUSED, TIME SAVING CHARITY CARE MANAGEMENT

### Increased Patient Satisfaction

by processing MFA applications timely, minimizing delayed decisions.

### Improved Work Flow Efficiency

by increasing productivity by 40%, or more, over current levels.

### Increased Profitability

by reducing # of employees / operational costs associated with the MFA process.

## PREPARE FOR A NEW EXPERIENCE

Driven by hospital demands and a desire to bring to market a fully-integrated solution that appeals to the needs of both patient and provider, Caritas360 was developed in 2019 by USCB America, a leader in Healthcare Revenue Cycle Management, as an online Medical Financial Assistance and Charity Care Management solution.
